

## WALL MOUNT

### FLAT MOUNTS

Also known as Flush Mount or Static Mount. These brackets position the screen flush against the wall, providing an elegant space saving solution.

### SWIVEL & TILT MOUNT

The swivel & tilt mounts provide a wall mount solution with extended flexibility.

### SWING ARMS

These bracket are ideal for applications where the screen needs to be moved into different position for optimal viewing.

## CEILING MOUNTS

Perfectly suited to display easy visible information in any industry, be it in Hospitality, Office, Medical, Traffic, Security or Industrial.

## DESK MOUNTS

Desk mounts provide space saving and flexible monitor mounting solutions. There are options of clamp mounting, grommet clamp or desk stand.
